The Story:

I just had to book Sophie after seeing the twitter photos of her in riding gear.

As a mounted follower of hounds in my younger days, my favourite fantasies involve ladies wearing jodhpurs, knee length leather boots and hunt jackets.

Sophie looked and possessed the same mannerisms as the beautiful ladies attending Hunt Balls whom I admired but failed miserably getting my leg over.

At least with punting, I am guaranteed to get my oats.

She was very welcoming and friendly when we met which settled me at the start.

I let her make the running from the off and soon she was giving me the most sublime bareback oral.

She allowed me to kiss her deeply and she responded with great passion.

As she saddled me up with a condom, I warned her to keep me on a short rein as I was feeling extreme frisky.

She followed my instructions perfectly.

She mounted me in cowgirl and went straight into a trot for a few minutes.

She then increased the pace in reverse cowgirl to a canter then a steady gallop for another couple of minutes.

With the finishing post coming in sight, I switched to missionary galloping all out and finishing powerfully as I crossed the line.

No stewards enquiry was needed to determine that this was a winner.

Well recommended to anyone looking for a winning ride on a high class mount.
