The Premises:

There is a multistory car park inside the theater district with loads of parking, however I parked the other side of the shopping center £3.50 for the whole day and walked through. Slight problem with the intercom but I was soon inside the building and off the street. The flat number is the same as the floor (No signs up to tell you)

Nice apartment quite well laid out, great shower but the bath is a little a small if you're into watersports (just in case)

Nice big bedroom with two couches so you can watch your courtesan on the bed, only real downside are the windows which are grubby but is a good thing as the blinds don't close, so it kind of balances itself out, bear in mind the shops are on the other side of the road and in the winter months looming and internal lighting on there be a great free show.

The Lady:

Well what can I say, been seeing this lady for two years in November and she's just perfection in my eyes. Never really understood why someone would have regular (hate the slang) when the options are endless in this hobby, but knowing that you've got a guaranteed provider that will give you the time of your life again and again I can see the reason, oh yeah, did I mention how beautiful she is.

The Story:

Knocked on the door was let straight in by the lovely Taylor, I've got to be honest with you I don't remember what she had on because it didn't stay on long and she stayed naked throughout the appointment.

Had my pre punt shower and witnessed a true spectacle which is Katherine (@GeekyMKHelen) got to have been at least four years since I last saw her and she is truly amazing, clip clopping around in her high heels and sexy black undies, black seemed stockings, she just oozes SEX appeal.

Back in the room with Taylor for a full on three hours of the most amazing interaction, nothing crazy but not what you would describe as a GFE, more than that but not PSE, just amazing. Nothing seems to be a problem, although I wouldn't like to try and push something she didn't like.

Three hours just flew by (as they always do) the mark of a good punt for me is how you feel after the event and I've got to be honest it still brings a big smile to my face just reminiscing.

So I'd just like to take this opportunity to thank the lovely Taylor for the amazing appointment I had and the previous ones, always looking forward to the next.
