The Premises:

Lovely house off Cippenham Lane. Ample parking outside and inside is always immaculate with refreshments and drinks for the clientele. 3 bedrooms and a waiting room. Shower facilities with clean bed-linen and fresh towels available.

The Lady:

The website describes her as very friendly lovely English girl with a gorgeous face and great figure. I would go one step further and describe her a cross between Evan Rachel Wood (who is Dolores Abernathy in Westworld) and Dita von Teese.

Popular babe who has a great body and a beautiful face and provides a service that is out of this world.

The Story:

I always see Eva on a Friday evening after work for half an hour of intense BJT (Blow Job Therapy) I always look forward to seeing her at the end of my week and after I have visited her - she sets me up for a awesome weekend.

Once the maid shows me to my room - Eva walks in with a beautiful smile on her face and a lovely kiss on the lips.

After the monetary exchange I am given a fresh towel to shower up and Eva goes downstairs to grab me a well deserved drink.

Her service is out of this world. She offers a true GFE and starts by DFK and then kisses you all the way to your general before giving you the most amazing OWO. Her technique combined with eye contact and the noises she makes just takes you to another dimension.

I then ask her to lay back while I kiss her beautiful breasts and then repay her enthusiasm with some intense cunnilingus of my own. When she arches her back and shudders under my tongue its pure ecstasy.

Then on with the rubber and she offers the most amazing sex in all positions until I can take no more and climax.

She does not rush and keep the conversation flowing.

Eva is currently off the rota. I assume she is on holiday and I call regularly and ask when she is coming back.

I love visiting Independent Babes but recently I noticed that most girls are now foreign. There is a distinct lack of white English girls which in my opinion downgrades this establishment. I am looking forward to when Eva will come back on the rota and then I urge all of you guys to go and check her out as you won't be disappointed.

Independent babes needs to start putting some more White English girls on the rota as English girls offer the best service and excellent conversation.
