### The Premises:

A clean flat with a shower facility. It had a discreet buzzer/intercom entry.

### The Lady:

A dark haired, leggy East European girl. Her best attribute was her shapely bum. She'd definitely be a girl I'd have fancied if she had worked in my office.

### The Story:

I felt a bit tired which on reflection wasn't the right feeling ahead of a punt. I was aroused though by Amber's slim figure especially her legs and bum. Rather than starting with covered oral, I asked her to gently tickle my balls which always seems to have the desired effect. I opted for sex in doggy position and I had to work hard, with continued tickling, to get over the line.
