The Premises:

Basement flat, reasonably clean, overlooking the tube lines. For me, HOD1 is the least attractive of the HOD apartments. The maid was helpful, witty and amusing, and really helped make the flat feel relaxing.

The Lady:

A close match to her photos on the site. Attractive, early 20s, around 5'8", brunette, shaven, no significant tattoos, quite large natural breasts.

The Story:

This was my first visit to Billie, so there was a little 'getting to know each other' stage. Which involved a lot of snogging and playing with each other's bodies. (Some other reviewers have said Billie doesn't offer DFK; I have to say that wasn't my experience at all. Maybe they were just unlucky. (Very, very, very unlucky, as I discovered Billie certainly knows how to wrap her tongue around your tonsils...)).

Mutual oral and much general shagging happened. I have to say Billie was very enthusiastic about it all. We both enjoyed the things that our private parts seemed to be getting up to. Most gratifying.

I will definitely be back for more!
