The Premises:

Nice clean flat about 5 mins walk from sainsbury's. Plenty of parking, free after 6pm.

The Lady:

Andie is probably one of the most gorgeous girls I've seen, either escorting or privately, and I don't say that lightly. She's perfectly proportioned, light hearted, up for a laugh and she has fantastic skills.

The Story:

Was attracted to Andie's pictures on Twitter, and following one or two good reviews decided to go along in the evening for my second punt of the day. And wow was I happy I did... She is an absolute pearl. A stunner!

Very relaxed and attentive approach, she's got game in all departments. Fantastic owo, after which I returned the favour, and then the sex was incredible. Andie on top is an experience you can't miss! Took her doggy which I could tell she enjoyed, before switching to mish so I could finish while maintaining eye contact.

Wanted to extend, but she's busy and understandably so! Showered together before making my way... She's set a new gold standard for me. Incredible!
