### The Premises:

A few minutes walk from West Kensington tube station. Arrived five minutes early and saw Billie sitting with the other girls. I asked the maid if that was Billie, as I had never seen her face properly as she has blurred it out on her profile pictures, and she said "yes and she has amazing breasts". She looked stunning. I was then shown to the room with the en suite shower and was offered a drink by the maid, who is lovely and friendly every time I see her.

### The Lady:

Billie was perfect! Her previously mentioned amazing breasts are obvious highlights but her eyes and her smile are equally as good. She is an English brunette in her early twenties with a genuine friendly personality who when she said afterwards that she enjoys this work, I genuinely believed her.

### The Story:

Billie entered the room at exactly 5 o'clock and gave me a kiss on the lips. Once the money was sorted, we got on the bed and she asked me what I liked. I said OWO, 69 and sex and she said that was fine. Her OWO was lovely and at my request she gave my cock some nice little kisses and she looked so innocent doing it, looking at me with those eyes and her sexy smile. We then had a really nice 69 before we had sex in the missionary position. Plenty of eye contact and smiles from Billie, which is something I love, especially from such a beautiful girl. Billie then went on top and rode me and those gorgeous breasts were in my face for a while. With time running out, I went back on top and pulled out to cum on those lovely breasts. Had some nice chat with Billie while getting ready. I hope to see her again in the future. It was a perfect half an hour and I recommend her to anyone who likes friendly, big breasted beautiful women.
