Apartment in the Hub area of Central Mk. Plenty of cheap parking around even in the middle of the day. Allow a few minutes to travel up in the lift and locate the apartment just in case you end up on the wrong floor like yours truly did. Spacious and comfortable room as is the norm at Annabellas.

### The Lady:

Early twenties Romanian girl with vibrant red hair and a mesmerising non stop smile. Very friendly and easy going manner.

### The Story:

Bunny hasn't been with Annabellas for too long but is already subject to some positive reviews. Seduced by the wonderfully coloured red hair and amazing Twitter pictures I made a 30 minute booking a few days before to ensure a slot at the desired time. Made my way up in the lift to wrong floor but soon sorted that out and was met at the door by Jess who looked so sexy wrapped just in a towel. She asked who I was there to see and I couldn't help but feel a little guilty saying I was there not to see her but to see Bunny, your turn again soon I hope Jess x.

Jess led me to the room and after the briefest of waits Bunny entered looking amazing in white lingerie set and heels. I was immediately struck by the wonderfully coloured red hair, slim and tanned figure and the most amazing smile. Bunny is a very beautiful young lady and she wasted no time putting her arms around my neck for a lovely and deep introductory kiss. As I undressed Bunny slipped off her underwear to reveal her lovely pert natural breasts and fully shaved pussy. More kissing as we laid on the bed before Bunny gave me an excellent uncovered blow job before we moved to 69. Bunny has the most beautiful and sweetest tasting pussy. I even asked if she had used a flavoured lube but no she hadn't and she tasted absolutely divine. After a little while I asked for my favourite face sitting and Bunny kindly obliged. An awesome view of Bunny's face and her red hair cascading down around her breasts which I cupped as the tongue did its thing. After a few minutes the gasps and the fuck me's from Bunny increased and I believe she came.

We then moved on and I was treated to cowgirl, doggy and missionary, all interspersed with more generous and passionate kissing, much of it instigated by Bunny which was nice and much appreciated. Can't beat a girl that likes to kiss and kiss passionately. As time was almost up more kissing before Bunny gave me quite an explosive finish by hand. We chatted as I dressed and with

a final kiss and a hug I was away.

One of the attractions to Annabellas is not just the beautiful girls but the friendly and welcoming manner they always show their clients. Bunny absolutely epitomises this and indeed takes it to another level. If her mouth wasn't otherwise engaged then her face constantly wore the most adorable and infectious smile. Bunny is absolutely lovely and gave a wonderful girlfriend experience. Another asset to the Annabellas schedule. Thank you Bunny, you are absolutely beautiful xx
