The Lady:

As per website - tall, curvy, large breasted beauty with long dark hair and pretty face. She wore black stilettos, peach long line bra that just about kept her tits in place and a wonderfully tight black skirt

The Story:

Morgan joined me for a great half hour. She is a young woman but exceptionally confident, friendly and exciting. She removed my shirt, trousers and boxers and led me to the bed. From there, she spread my legs and started to kiss and lick my balls, then licked my shaft and used her tongue expertly on my cock. Exceptional. It was so good, I didn't want to stop until Morgan suggested I fuck her massive tits. I followed her instructions and straddled her chest and started fucking her cleavage. Of course, my cock forcing through her tits and onto her willing lips and mouth. Wow! Guess what..I came.

Great time and will book again.
