The Premises:

Smallish ground floor flat in a residential area, pretty close to the centre. Loads of parking.

The Lady:

Dollar - Unfiltered photos online, nice womanly body, luscious lips.

Adrienne - Modelesque physique, lovely legs and quite busty.

The Story:

First time with either of the girls, but had read about them and knew I'd be in for a good session. And it certainly lived up to expectations!

Dollar has a great bj technique, took me closer to popping than any oral I've ever had. And on top she's a dream. Adrienne was great to take from behind, commented on how hard my cock was, and in mish she maintained great eye contact and was generous with her kisses.

Having one girl ride with the other sat on my face was awesome! Switched them around and it was twice as nice!

Finished with a Dollar bj (too good) and Adrienne handjob to an exclusive cumshot on their bodies. The stuff dreams are made of! Highly recommended, I'll see them both again either in another duo or individually.
