The Lady:

Ivy is gorgeous. Her unfiltered pictures drew me in and despite longing for a while to see one of the other girls on the schedule, something about Ivy captured me.

The Story:

Morning session with Ivy before a busy day was just the boost I needed. She's fun, game for a good time and has some skills. Phenomenally deep oral, great cowgirl technique and happy getting drilled from behind. She lists A levels, but mentioned that she was going to remove it as guys were taking advantage and going too hard. I get that, she's only small, and guys need to learn how to warm girls into it, read signs and take their time before going for it. A shame, but an enjoyable punt all the same. Treat her well.
