The Lady:

Jodie is gorgeous, simple as that. Her figure is curvy but toned and she looks fantastic in underwear! More than that she is incredibly easy going and extremely easy to get on with, and in the time I've been seeing her we always have a good catch up either side of the massage and other things!

The Story:

Ego has a very specific service on offer and delivers it well. The service is limited to sensual massage with a great ending but it is excellent! Jodie is easily one of the top masseuses there and a session with her is not to be missed! Her massage technique is great and really works out the knots, while at the same time she drops in occasional hints as to what will come later. When it comes to turning over and the next stages of the session you won't be left disappointed.
