The Premises:

Stacey was working from a nice hotel neat hangar lane station ,very discreet hotel with a lot of parking and she keeps her room clean with plenty of towels and sweet smelling shower gels,

The Lady:

Stacey is a full figured ebony lady very tall with a huge rack
She was dressed in a sexy corset and tights and heels.
Her ass was massive and her thighs were thick and chunky
Nice clean BBW.

The Story:

I arrived at the hotel and I called her number for directions to her room
She spoken softly and gave clear instructions to her room
I arrived and knocked. And I was ushered in by a a tall and big BBW with massive ass and racks.
Her room smelled so clean and sweet - she gave me a peek and we walked to her bed.
We chatted a bit about the weather , and she offered me a shower I told her already had one.
We proceeded to sort the paperwork out. She offered me a glass of wine which I accepted and we slipped it a bit.
And we started kissing with tongue and it got really erotic and we set our drinks aside and we began kissing heavily and we undressed
She went straight for my hard cock. Which she sucked like life depended on it a lot of spit .. the bed was soaked with spit.
I set her on her back and gave her pussy and good licking - it smelt good and tasted great.
I was ready to pound tht sweet pussy of hers.
She slapped on the condom on my throbbing cock.. we started With missionary I could feel her wet pussy tightening ,I told her let's do doggy.
We fucked in doggy for few mins she was very responsive with her moaning and I pounded her till I came in the condom.
We rested a bit with more wine and silly chats.
Second round was more of the same but I finished on her big breasts.
I showered and we bid our welfare's.
I'm definitely seeing her again.
