The Lady:

Andie is a very beautiful and slim young girl, very chatty and friendly.

The Story:

Andie greeted me at the door and took me to the room. She asked me if I wanted any drink. When she came back with water, she started chatting with me like she had known me long time ago, which put me at ease. After sorting out paper work, Andie striped out and we went to bed. Andie is very young and fit, beautiful eyes and pretty face. We had a nice sex on a couple of positions, which I enjoyed very much. I am sure I will see her again soon.
