The Premises:

Veselina's flat is in a nice part of town, and a short walk from Earls Court Station. I found the flat to be very comfortable and cosy. It's shared with a roommate, but she didn't bother us at all.

The Lady:

In terms of appearance Veselina is the same girl as the pictures on the website, but they have been enhanced quite a bit. I'm not sure why actually, because she is a very naturally beautiful young woman. Physically, her body is beautiful. Very slim, but not too thin. Her boobs are very big and a nice handful, but they are enhanced and still have some scarring. Speaks very good English. She is very friendly, funny and incredibly affectionate.

The Story:

When I arrived Veselina was wearing a silk robe and high heels. She hadn't put a load of makeup on, which I was pleased about and her lips looked just like they do in her pictures, very full and inviting. She kissed me passionately on the lips and invited me inside. She sat on the sofa and beckoned for me to join her. A pleasant change from just being ushered into a bedroom. Here we started to fool around early on. Groping each other and kissing. She revealed her matching underwear beneath her robe and showed me just how big those boobs really were. I kissed her even more and she led me off to the bedroom. She has a great ass, and it was a joy just following her!

This was one of those experiences where I find it hard to report chronologically as I usually do. It was a really full on, passionate and wonderful GFE. I have to say that this was one of the best I've had this year, without word of a lie. Veselina, despite her slightly misleading pictures, has a service quality that's genuine and just perfect for me. She stripped off with a little help from me, leaving her bra on and her boobs poking out the top nicely so I could feast on them. Her panties came off to reveal a lovely wet and shaved pussy. She was clearly very horny as I put my finger between her legs. It wasn't long until she dropped to her knees with me standing at the side of the bed.

This is where I can't help stopping to mention that her blowjob skills are the best I've ever had in my life. I'm not a small man by any means. I wouldn't say I'm huge, and I won't go into my measurements etc. here through fear of sounding like an idiot. But suffice it to say that most girls

cannot get me all the way in. Some do, for a second or two and it usually feels as though they are bending the old chap in two to get him in there. Veselina literally dived down onto my cock, right up to my groin, and she sucked on it. She swallowed and slathered on it and sucked it from tip to base easily and without a single gag. I couldn't believe my luck. She should have this written all over her profile or something. I asked her during this how she got so good and she took a breath to tell me that she studied it. She laughed and went back down again. She encouraged me to put my hands on her head, so I did and began to facefuck her hard and fast. It didn't phase her at all. I had to stop right there or I would explode in her mouth without sampling the rest!

We had sex in missionary nice and naturally. She came in this position easily when I stopped half way to keep the wolf from the door. I played with her pussy and fingered her right up to her beginning her climax and then fucked her again nice and slow and balls deep. She yelped a little and smiled at the depth, but came hard on my cock. It felt amazing. I turned her over and fucked her from behind, we did it in spoons position and then she rode me, it was all fantastic, but I had to cum in her mouth. I jumped up from the bed, whipped off the condom and jerked my cock in her face. She looked up at me and stuck out her tongue. I then grabbed her head and told her to suck it deep, which she did until I exploded in her mouth.

This was a wonderful experience. I simply laid back on the bed and when she returned she joined me and rested her head on my chest. It wasn't long before she started to move in a provocative way and I got hard again and before I knew it we were fucking again. This is most unusual for me lately, and I don't usually go twice. And it felt good too, not rushed or hurried. Veselina is a very natural lover and it was no effort at all to cum again inside her before I showered and left. She is highly recommended!
