### The Premises:

An old industrial building in Bury. Sign outside makes it obvious. There is a car park at the back shared with other units. Once inside, the place is clean and tidy but the reception area is pretty basic. The room itself was fine and the shower worked. No complaints.

### The Lady:

Stunning. See the photos on the website. Andrea is perhaps a little more curvy than the photos but still fabulous. Her breasts are absolutely lovely, large but not excessive and completely natural. Her smile would melt an iccap. She is reported to be 20 and that seems accurate. She is Portuguese and her English is not perfect but that adds to the fun. She complimented me on my ears, which seemed strange - but she really meant eyes. Much giggling.

### The Story:

She collected me from the reception area and led me to the room. Temperature rose rapidly. She asked if I wanted any extras - £10 earned me OWO.

Quick shower and then down to business. Plenty of kissing. The OWO was worth the extra. Then RO which developed into 69. Delicious. On with the condom and into energetic cowgirl. That didn't last long. Tender post coital cuddles followed by shared shower and the 30 mins was up - in fact a bit over.

Andrea was a breath of fresh air fun throughout. Although I am nearly 50 years her senior she made me feel as if she was enjoying the meeting as much as I was. I hope I get the chance to visit her again soon.
