Fancy flat near Bond Street

The Lady:

Young Italian with long black hair, big boobs, average height, firm arse, green eyes. Match to the photos, except tits are dropping a little, probably due to their own weight.

The Story:

I booked Roberta round about the date and time given (I don't remember precisely) because I needed some hot company and she reminded me, a little, of a certain xxx star called Pepper Xo. Roberta's flat was very nice, but the lighting was too dark to see if those eyes really are green.

She was welcoming enough and became quite chatty after the deed was done. Rapport was weak, and her attitude was friendly but basically a bit too indolent for my liking. She didn't project any warmth or energy. Her boobs aren't quite as perky as in the pics, although they are big. Her arse is nice and firm and I enjoyed mounting her from behind. She was indifferent to my BFE actions (N.B. If she gives a GFE, it follows, she gets a BFE, n'est pas?). The only time she warmed up was giving me head, which she did very well and I wish I'd know that cim was on the menu, but one is always in two minds about where to pop the cock.

There was nothing of the vocal stylings of Pepper Xo, alas.

I recommend her, cautiously, and would long list her for a return visit, but not a 10/10 experience. More of a 7/10.
