### The Premises:

### The Lady:

I was genuinely surprised to hear that Kate was nearly 40 as she looked much, much younger. Kate is a slim and beautiful blonde with the looks of a young woman but the experience of time!

### The Story:

What can I say. I wasn't expecting that much as Kate was a little off my usual taste from her description. How wrong I was! Kate was a knockout both in personality and looks. She was great fun to be with and boy oh boy does she know what to do in the bedroom department! I don't think I have ever has a punt so passionate and down right dirty. Kate new how to get me going i n every way and a few more tricks besides. So much so that I have changed my mind about the younger chicks that I usually prefer as this lady was knockout. All in all a fantastic few hours with a wonderful lady. Thank you Kate. x
