The Premises:

Nice residential area. Clean and tidy, felt very comfortable. Parked as far away as I could. No shortage of parking. Safe and easy to find.

The Lady:

Mature but very attractive, even glamorous. She has a fantastic body, very firm and a most amazing pair of breasts. She exudes charm and sexuality.

The Story:

I should tell you how gorgeous Diana looked when I entered her dungeon. She was dressed in tight PVC

that beautifully showed her hourglass figure (let me tell you, her figure is absolutely to-die-for! She really works out!). I could see a hint of her cleavage from her outfit and that was sort of enough to tell

me that I was going to have a great evening.

As I had already told her of my bondage fantasies and Sharon Stone, Diana made an effort to recreate

my fantasy. She already had handcuffs and collars ready and out for me. Even though I like being blindfolded, this particular day I just wanted to look at Diana and admire her beauty. But, that wasn't

meant to be as I had to obey her and frankly, her domineering attitude did make me feel overwhelmed.

And I loved it! It is that streak of sadism that I was looking for.
