### The Premises:

Fyonas is a nice basic parlour, a little shabby but perfectly fit for the purpose I was there for.

Entrance is on a busy road - not too many pedestrians around so it's not too indiscreet.

Up a flight of stairs and buzzed in through a security gate - which was being fixed by a handy man.

Maid was slim and not too bad - if handyman had not been there I would have considered to ask her to watch me and Alana.

Alana appeared to say hello and I felt something move down below!!!

Had a shower and went into VIP room where there is a selection of toys and women's clothes to choose from.

### The Lady:

Alana entered the room - wearing a nice yellow dress, and heels. No stockings unfortunately.

Pictures are accurate and she has a great personality.

We agreed a GFE and Alana removed her dress to reveal a pink g string and fantastic boobs.

### The Story:

We started with an okay massage , chatting about our experiences in the past in parlours and clubs.

We did some kissing - she allowed tongues and I asked if I could wear a dress for her, and she agreed.

I chose a little burgundy number and went onto the bed with Alana. I performed oral sex on her lovely pussy - which tasted Devine.

We then swapped positions and Alana performed covered oral on me.

Alana then stood at the end of the bed, bent over and received my hard cock inside her lovely wet pussy.

We fucked in front of the mirror for a while , me holding the dress up so we could see my cock fucking her pussy.

We then went on the bed - Alana opening her legs wide open as I pumped into her.

I soon filled the bag , and after a little clean up ,and with the help of Alana, removed the dress.

We left the room and there was some nice banter between Alana and the maid- who jokingly accused me of giving her a dirty look - well I certainly had some dirty thoughts about her!
