### The Premises:

Well established parlour above some shops on Purley Way as previously reported. Always clean and tidy with a good shower available.

### The Lady:

Sandy is a stunning Swedish babe in her mid 20s with lovely eyes, long blonde hair and a slim figure. Any red-blooded male would find her very attractive. She is fluent in English and is also very friendly.

### The Story:

I phoned up for a short notice booking. I knew that Sandy works at this establishment with another Swedish babe on Thursdays (there's a description of the different girls and the days they work on a notice board in the bedroom) and I'd been meaning to sample the wares for some time. Fortunately for me Sandy was available when I called.

After completing the paperwork for full GFE we undressed each other and there was lots of DFK and mutual caressing. Sandy gave me a fantastic BBBJ and I returned the favour and made her come. Then it was on with the jonny and we had sex in cowgirl and missionary positions at which point I came. Afterwards I had a shower and went back to work very satisfied.

Sandy was attentive throughout and there was no clock watching. Overall this was top-notch GFE. I will certainly return.
