The Story:

This was not particularly a bad punt and not necessary a good punt but I like a little more out of a session, didn't really receive it

I prefer a proper Gfe experience I sort of got it

Started with a quick back rub followed by a chat (she can waffle on on) not a bad thing! But can be when all you're thinking about is putting your penis I'm her mouth

After a short time we proceed light kissing personally I prefer a full on dfk, owo extra 10£ standard Owo wasn't too bad slow and sensual rather than pse

Ro extra 10£ normally a lot of wgs don't charge and the ones who do are just in business short term to make as much money as possible

Sex, at this point I didn't have much time left so I just bent her over and fucked her doggy until I came I wanted to cob but wasn't sure if it was going to be extra so I don't chance it

Just to recap nice women reminds you of a mates mum you always wanted too fuck, but didn't quite live up to my expectations

I hoping for a more full on gfe with some extras included

Would I see her again easy answer probably not

Overall not bad but not good she did do everything I wanted
