The Lady:

Saw Billie on the site and wanted to see more in person. Billie is amazing, her eyes sparkle and that smile melts your stress away. Note: Her eys were so alluring that I was distracted in not looking at those wonderful breasts.

The Story:

From the moment Billie opened the door until I left I felt at ease. I showered beforehand and once the paperwork was sorted, Billie and I got down to business. Billie looking up at me as she traced her tongue from my balls to the tip of my cock, eye contact all the way..... with a cheeky smile and chuckle at the top, was out of this world.

I returned the compliment with Oral on her which she seems to like, she was smiling :)

We then tried various positions with me finishing over her gorgeous breasts...

Another shower and a hop skip and jump back to Victoria for a train ride home with a big smile on my face...

Thanks Billie xx
