The Premises:

A first floor flat in Plumstead High Street. It isn't a very discreet entrance, but it is on a quieter part of the road. It is about a 10 minute walk from Plumstead railway station. The room was very clean.

The Lady:

It was the girl profiled. I would put her as a dress size 10 and probably in her early thirties. She was very friendly.

The Story:

A good, standard punt. It started with covered oral during which I had good exposure to Anastassia's very ample & natural breasts. We then had sex in doggy position and I pumped away to a satisfying climax.
