The Lady:

Jess is one of the most gorgeous women I've ever seen. Her body is incredible. Shapely legs, flat stomach, C cup as described. Perfection. Pics are definitely her, and as you may imagine, she's stunning.

The Story:

Had originally planned to see another girl, but when Jess walked in I was more than happy enough! Had seen some reviews which were a mixed bag but what I found was that as long as you respect her boundaries, you'll have a good time.

Started with owo, before returning the favour. On with the cap, asked Jess which position and she suggested cowgirl, and I think I know why... She's incredible riding, and she knows it! Sounds like most guys pop very soon under her, and she said I did well to last 5 mins! Took a break, chatted away before round 2 in doggy and finishing in mish with some great eye contact and sweet noises.

Jess is awesome, so sexy and such a great girl. Will definitely see her again, she suggested a duo with Jamie in MK so that may be on the cards.
