The Story:

My second visit to Amy, as one just wasn't enough and I had such a great time with her last time.

Upon arriving at HOD3, and entering I saw Amy and said hi, before making my way to the room. When Amy arrived, she remembered who I was and we chatted briefly, picking up where we left off last time, before I handed over the readies and we both disrobed.

I asked Amy if we could start off with RO, as her pussy is absolutely incredible, and tastes amazing. On top of that, Amy really enjoys it. I tongued her to climax, whilst my cock got rock hard at the sheer enjoyment of tasting her and watching her get off on it - both enthusiastically pressing together more, her pussy into my face, me to her pussy, to get a deeper taste. All the while, I was stealing glances at her and making eye contact with her, and I think by the end of it Amy could tell just how into it and her I was.

After she had climaxed, we cleaned up before Amy got to work on my cock. Her tongue and lips expertly working their way up and down my shaft. Before long, on with the condom so I could slip inside that velvety pussy. First off, Amy rode me reverse cowgirl, and fucking hell it is hard to control yourself when you are watching a pussy so fine ride your dick, those perfect lips stretching and bulging over my dick with every stroke. We switched positions a few times before eventually I could hold it no longer and, at her imploring, I held my dick deep inside her and pumped my cum hard inside her, filling up that rubber.

We again cleaned up, and there was enough time for us to speak for a while, before I had to get my stuff back on and head off.

I can't believe that she doesn't have more reviews on here (If I had the money, I would block book Amy out for a whole day), as this lady is 24 carat gold. Treat her well, be respectful of her, and gentlemen trust me, you have a truly amazing girl in your presence as she is genuine, so damn good and smoking hot.

I sincerely hope I can make it back to see her again before she returns to Romania.

Amy, thank you once again for an amazing time! x
