The Story:

Perfect experience couldn't fault a thing, got everything I wanted apart from her on top, but she said its something she doesn't do with clients which is fair enough.

I was abit apprehensive about meeting her on the basis of some negative reviews I'd seen online and the general consensus that pornstars are pretentious little princess's that wont do half of what they say they will and have a horrible attitude towards punters. My experience with Brooke couldn't have been farther removed from that.

From the minute she opened the door she was friendly and approachable, no attitude whatsoever and more than up for a laugh, everything I asked for she done (apart from her on top), communication was great with her throughout and she fully engaged with me during my time with her.

Overall I couldn't fault a thing, she's gorgeous, friendly and skilled, can wholeheartedly recommend and plan to visit again in the future.
