The Story:

Friday evening and I was horny as hell. Wanted to release some stress and fucking a nice ass if possible. Called the agency, made the booking and received her address. Arrived at the location, rang the intercom and she opened the door. She welcomed me in high heels and mini skirt and was surprised by my height. She was almost as tall as me and I'm very tall. Paperwork was sorted out, clothes came off and to the bed we went. We started kissing and she was happy to allow fingers in her pussy (not many girls do). Then she did some OWO which I can say was very good. I was ready to finish and told her to stop. I didn't want to waste my valuable sperm yet. Told her to go doggy and fucked her well, fingering and preparing her ass for what was to come. Her ass was ready and penetration occurred without issues. Fucked her ass till I came. Overall, I'm very happy. Although she is not the prettiest girl around, she likes her job and she likes to fuck. Thumbs up from me.
