### The Lady:

Smiley, MILFy wonderfulness :-)

### The Story:

I won't say I'd been avoiding Sophie but well

I'd been avoiding Sophie

;-)

Only in as much as she'd been working when I was about and i'd always asked for someone else

It was only really the review(s) from Confucius here that piqued my interest

I made a comment on the message board thread saying how much he clearly likes her and he's been probably the most consistent HOD reviewer here

I was going to do this review in his style, but I couldn't possibly do it justice

So anyway

What u get with Sophie is exactly what her bio says and her pictures suggest

BUT A WHOLE LOT MORE

She's just had a new photo set done on the HOD website which definitely piqued my erm, interest...

What you notice in all her photos is that smile

Also I find when the eyes are hidden it is rare that what u get surpasses what u imagine

This woman has it all

She certainly fits the MILF bracket and the posh totty bracket

But again that doesn't really do her justice

I've said it about Viva and I'll say it about her

If Carlsberg did wives...

Also about the posh totty thang...

She certainly is and would have all the toffs drooling if u had her on your arm

BUT

what sets her apart is there is no pretence nor standoffishness

In fact, she had me completely when she breezed in looking like she does; with that unparalleled smile and within a minute or two we were bantering and she said something like 'well you wouldn't be happy with a minger'

:-D

Had to see her twice last week

She actually smiles more the more into the session u get

And it's clearly not just a job for her

Great addition to the HODsquad

Thanks Confuscus and I now know why you're doing less reviews these days

;-)
