The Story:

Jess is stunning

Modelesque body and face

But what I like about her most is she's very real

This session was mainly spent 69ing since I've had a busy week and also they asked me to reschedule the appointment which meant my tour de HOD for the day was even more of a challenge

But I got to meet the new maid

Got to wait in the laundry room ;-)

And got to have sexual relations with a beautiful lady

If you punt with an attitude you won't be well received by Jess

If you treat her well you'll get an awesome experience

Would always be on my shortlist if she's working
