The Premises:

Anonymous from the outside.

Surroundings seemed safe enough.

Plenty of parking nearby.

Well furnished inside.

Clean and tidy.

The Lady:

A beautiful young lady.

More beautiful than many others in the industry.

Similar in both appearance and attitude to Gabriela of Milton Keynes Escorts with whom I have had the pleasure of meeting recently.

It's as if somewhere in Eastern Europe there is a farm which produces beautiful ladies.

And as if somewhere in Eastern Europe there is a finishing school that trains beautiful young ladies to be high class courtesans.

Jamiee must have graduated with a 1st class honours degree in pleasing the opposite sex.

Photos on the profile don't do her justice.

Profile details look more or less accurate.

The Story:

Jamiee was far more beautiful and a far nicer person than I was expecting.

She made chit chat at the start to put me at ease.

She allowed me to kiss her all over her beautiful body.

She allowed some french kissing which I didn't expect.

Her oral without on me was exquisite.

I gave her oral which she clearly enjoyed.

She put a condom on me and then we had sex with her in the cowgirl position.

She rode me enthusiastically as if she was really enjoying herself.

I shot my load satisfyingly into the condom.

It was an excellent experience from start to finish.
