### The Premises:

My one of my favourite parlours ideal parking shower facilities clean and well run

### The Lady:

Photos are accurate

### The Story:

Service wasn't up to scratch the whole experience seemed rushed

Sucking my dick 100mph wanking me to the point it left uncomfortable thought she going to rip my banjo string

In the end I thought fuck this I'm just going fuck her blow my load seem someone else

She seems like a money grabber only cares about money and nothing else

Don't get me wrong by all means use your pussy to make money (don't think she's got much going on upstairs) but at least provide the service

The good part to this punt was she is really pretty and good porn on the tv

I wouldn't recommend too many extras and shit service
