The Story:

As soon as Mina got into the room, we kissed passionately for one minute, including deep FK. Not bad considering we had never met before. We got naked and Mina started giving me fantastic oral sex, sucking my dick passionately and with great skill. I suggested shifting into a 69 and Mina agreed enthusiastically. Then she started "twerking" as in a Rap music video, which enhanced the experience. Not only was it quite exciting from a sexual point of view but also quite funny. After that she gave me a condom and we started having sex in the missionary position. The air fan did not prevent us from sweating profusely. Mina is very warm, skilled and eager to please. After sex, we chat for a while and it is enjoyable as Mina is quite upbeat. Of course she is very attractive and able to satisfy sexually, but her good humour gives her an edge. I would not say that Mina provides a girlfriend experience, I would say that girlfriends provide a Mina experience!
