The Story:

Laura came into the room with a huge smile on her face, she is rather cheerful. She was wearing a dress but actually she was going commando (no underwear :D). We kissed for a few minutes, including DFK. Laura is really passionate and playful. Once her colorful dress was out of the equation, she gave me great oral sex, enhanced by her spitting in my dick. That made me feel really satisfied. After some minutes of intense pleasure, Laura gave me a condom and we had sex. Laura added remarks during the penetration: some of them sweet, some of them naughty (very naughty!). She encouraged me to give a final push with some memorable sentences. After that, we had a nice chat as Laura is always funny and in a good mood.

In short, she is attractive, funny and provides great pleasure. Recommended: yes!
