Arrived at the new arranged time to be greeted by a moan about the new arranged time. I was running late and called to reconfirm the new ETA. The flat was an absolute tip and the shower room dirty. She sat on the bed for five minutes on the phone after I arrived and then ordered me to the shower. After shower gave an adequate BBBJ. Ordered not to CIM. So requested sex and A Level. Gave A level but only in one position. No problem but after a minute started making pain noises. Not into pain so went slower. After another minute started getting told to cum. Stopped and asked for regular Sex. Again after a few minutes got told to cum. Decided to try to finish by hand. She just layed there and as I was trying to finish told not to cum on face as didnt want to do make up again. OK. Then told she was worried I would make a mess on the sheets. At this point gave up. She was surprised I hadnt finished. Had another shower and left. Checked watch. It had been 25 minutes since start inluding showers. Absolute worst experience ever with a thai girl.

Do not use.
