The Lady:

After a long hiatus chocolate tits is back. Mina explained to me that she has been plying her trade in MK and then proceeded to show me what I have been missing.

The Story:

Mina, if you are reading this, it is intended as a compliment. Mina is an ordinary looking woman who you probably wouldn't consider if you saw her selling raffle tickets at the school fete and yet with no clothes on she is absolutely dynamite. My visits to Mina involve a lot of snogging cos she is such a great kisser. She has an assertive, deep voice that makes my cock twitch just thinking about her. Mina knows what to say to white guys. For example, I had her on all fours and she asked me to lick her butt crack and tell her what it smells like. I said it smelled perfumed as if she knew she was gonna get that black ass of hers rimmed, which pleased her. Next she asked me to put my white meat inside her. I took her from behind for a few strokes before Mina sat on my face. Then she removed her pussy from my faces and before I had time to recover my breath I had two nipples in my mouth which again left me gasping for. I finished in Mina's mouth which accepted like the good girl I know her to be before spitting it out, of course. Another great experience with one of my favourites.
