The Premises:

Is about a 10 minutes walk from the town centre. When I walked in, no one from the high street noticed me so is very secluded.

The Lady:

Looked just like lady from photos. Was even better face to face. We are about the same height. She had a beautiful bottom.

The Story:

She did a strip tease and I started to take her bra and her panties off. Which were all black, She was the first person who I lost my virginity with at 19 years old. We started with a blowjob. We then had some doggy sex, missionary and 69. I was just slapping her ass throughout the whole session. She tried to make me cum by giving me a blowjob but it didn't work. I am hoping to see Sabrina and Kate on Sunday. Hopefully there will both make me cum. Totally recommend. I would give her a 9 out of 10.
