The Premises:

HOD 2, my personal favourite house, discreet, clean and comfortable. Has been described numerous other reviews and you're not here to read about the real estate!

The Lady:

Young, petite but curvy and very beautiful and all natural. Has a few tattoos but they're all very tasteful and truly unique. 'Eden' is a work of art anyway and personally she was precisely what I was looking for. Most importantly though she has a wonderful personality and is very down to earth. Her eyes are also incredibly beautiful and she has a wonderful smile and giggle. All in all, to me at least, every inch of her is perfect. X

The Story:

At the request of 'Eden' I won't go into any sort of detail but needless to say the hour I spent with her was nothing short of utterly, unbelievably, spectacularly perfect.

She has truly and utterly ruined all other women for me. I have never been with someone with whom I have felt so sexually compatible and I genuinely do not think I will ever meet a woman with whom I am apart from her ever again. Before she panics I don't have feelings for her, I understand that it is just a business transaction for these girls but she certainly seemed to also love our time together and I will be counting down the days until I see her again.

I almost don't want to post this review as I want to keep her all to myself but I feel I owe it to her to try and help her generate business and therefore income.

Honestly, 'Eden' is on another level. She seems to instinctively know exactly what I wanted and the entire hour was just an utter blur of incredible, raw passion from both of us. After seeing approx 20 girls at HOD (a veritable novice when compared to someone like 'modelfucker') I have never in my entire life felt so utterly simultaneously drained and satisfied.

Go and see Eden at least once and you will not regret it. Treat her gently and respectfully, as you should all the girls, and thank me (and her of course) later.
