The Story:

Had a slight delay as rooms where cleaned, once in I undressed down to my underwear and awaited Dollar. She came in and straight away said "get naked".....we settled on the bed and kissed.

Anyone reading my other reviews will know I prefer giving the lady a good time, so after a few minutes I asked Dollar to lie down and I made my way down to her pout pussy and set to work. To my delight Dollar responded quickly and 5 min later she came.

She asked for my cock in her mouth but sensing her mood I stayed down to eat her soaked pussy and it was worth it to see her arch her back, go short of breath and launch into a powerful quivering orgasm.

Giving her a minute to recover I started to lick again only for her to pull me off and demand I fuck her, on with the rubber and I entered in missionary. After a short fuck I knew she needed to come again so I pulled out went down and licked and rubbed her pussy for her third orgasm.

After saying I was out to kill her she told me to lie down for her to go on top, guys this is her OMG position, after feeling myself coming close I pulled her close to ask if she had any toys....she did....as she fetched it I took advantage and went to work on her pussy again. After a few minutes she got on her back and used the vibrator on her clit while I licked the pussy and rubbed just below....guess what happened.

Back into her in missionary and this time pounding hard until I cum inside. Final Cum Score 4-1

Could have continued but knowing how busy she was I asked for a shower and we had 5 min afterwards for a chat.

Will defo see again....90 min next time. Perhaps a threesome with Adrienne
