The Premises:

Nice, easy to find apartment on a busy street and 5 mins from the tube, although she did say she was about to move to a new place nearby so can't vouch for what that one is like.

The Lady:

Very much like her photos, although with a slightly more mischievous glint in her eye! She is tall, slim and athletic, with plenty of energy. Her English is excellent and she has a easy-going personality with a good sense of humour.

The Story:

Very welcoming right from the off, Luna is a friendly and confident girl, with no awkwardness or slow start. She was chatty and after sorting the paperwork, I had a shower before coming back in for a bit more chat and then moving on to the action. BJ was covered but v good technique and she got nicely into it, before we worked through several positions - all the while with plenty of enthusiasm on her part.

My requirements are fairly vanilla but I have no doubt Luna is capable and willing to handle more demanding clients than I am and seems like a good party/PSE choice if you play your cards right.

Also scores highly in giving undivided attention throughout, with no phone checking or clock-watching, so highly recommended.
