The Lady:

Four different ladies at this party, including Linzi Dawn and Rayven Blu.

Linzi Dawn is a stunning milf. Huge boobs, body in fantastic shape, very beautiful, attractive woman. Very enthusiastic and responsive. Personality to die for- great fun to be around.

The Story:

I had been trying to see Linzi Dawn for a long, long time (3 years in fact) but through mishaps on both sides and busy diaries, it just hadn't happened. So when the opportunity came up in London to see Linzi as part of an LAPC party then I jumped at the chance.

On arrival, my contribution was paid to the security guy, secured my valuables, handed me a fresh, clean towel and showed me downstairs. I changed, then used the shower to get freshened up and was ready for the off.

In one of the rooms there were two double beds and two horny women- one of them was Linzi and the other was Rayven Blu.

Linzi was my reason for coming tonight- travelling two and a half hours to be here- well worth every minute!

Linzi looked absolutely stunning tonight, in a yellow dress, my word she looked premier league. I received an amazing hug and was taken over to one of the beds. Linzi is so friendly, such an

amazing warm personality and within minutes she made me feel so at home and relaxed, talking to me like we had known each other for 20 years.

I started off by asking, as any 20 year old friend would, to lick Linzi's pussy. Linzi laid back on the bed, got herself comfortable and opened her gorgeous legs for me- wow, this was something else, she tasted so good and smelt amazing. I was in my element and something I had dreamed of doing for the last 3 years! Working on her pussy lips and her clit with my tongue, Linzi was very responsive and I was having the best time already!! After a while Linzi then offered to return the favour and a cock sucking was offered, which of course I couldn't wait for, so we swapped positions and Linzi took my cock in her mouth. This was such a sensual, slow, cock suck- fantastic! Linzi looked me in the eyes as she took me fully in her mouth and used her fantastic oral skills to make me hard, then pleasure me further, sucking and licking it, like it was her favourite lollipop. Linzi took her time, I mean really took her time and wow what an experience this was. This was oral on a whole different level, using her tongue up and down the shaft and then took my cock fully in her mouth, with lots of natural lubrication- I could have certainly stayed there all night.

As I looked over at the other bed, the lovely Rayven Blu was entertaining another guy and looked over at me as she was in a 69, and had her mouth completely full of cock. Plenty more sucking and sucking ensued with those two, until Rayven got her reward for all her hard work and orally brought him to a conclusion!!! Both girls were kept busy all night.

Over the course of the party I spent most of my time in that one room, with fantastic banter between Linzi and Rayven, having a great laugh- this was so much fun.

Other activities during this time was fucking with Linzi, having Rayven sit on my face, as Linzi sucked my cock, prolonged pussy lick on Rayven, fantastic cock sucking on me by Rayven, both Linzi and Rayven sucking my cock at the same time and much more cock sucking by Linzi, much more.

In fact when I was free and there were no more guys waiting, Linzi would grab me by the hand and lead me back to the bed and we would touch and stroke each others bodies and what a body Linzi has- "fit as absolute fuck" just wow! Huge, huge boobs, a beautiful face, gorgeous pussy, great toned body- this was heaven!

It was getting towards the end of the party and there was one thing left that Linzi needed to extract from me and she wasn't going to let me leave until she had and sure enough she succeeded and I emptied my load over Linzi's huge boobs! A fantastic end to a simply fabulous night!

This was such a fun, relaxed night at LAPC. The 3 hours means that nothing is rushed, in fact there is no pressure to do anything and just go with the flow. There were 2 other lovely ladies on that night, in another room, but I didn't get there, as I was fully occupied in the one bedroom that I had started off in.

The night for me was made by the banter and laughter between Rayven and Linzi- a dream team, who have so much fun and it is clear love what they do and are very good at it.

I left with a huge smile on my face, with good reason!!! I had just the best night. Certainly won't be leaving it 3 years before I see the stunning Linzi again, that's for sure. She (and Rayven) totally blew me away- literally!!!

LAPC is highly recommended for a cracking night!!
