The Premises:

The usual.All good,Coco in attendance sorting out girls,guys and tech issues.

The Lady:

Very tall pretty blonde,long legs,peachy bum,full breasts with walnuts for nipples that love to be sucked and rubbed.Camilla has been to the gym a lot in the last few months and has trimmed and toned her body quite a bit without diminishing those fabulous breasts.Smiley,funny,charming,sexy,articulate young lady.

The Story:

Admonished for leaving it so long since previous visit and promised that she would fuck my brains out,which she did with aplomb.Lots of kissing,stroking,cuddling and licking and great eye contact throughout.Camilla gives great oral and knows how to use her mouth and hands on your balls and arse as well as cock.I just love it when a girl puts the rubber on with her mouth and Camilla does this with ease.Cowgirl with Camilla riding me and offering her tits and lips to alternatively kiss and suck is just so good and mish with her legs spread wide and asking to be fucked harder was music to my ears.The sap was rising so off with the rubber and Camilla drained my balls and swallowed the lot.Brilliant punt with a very sexy lady.
