### The Premises:

Booking took place at(snow whitest) Grace's apartment, clean, discreet with a buzzer entry door downstairs. Located in a quiet semi rural location. easy to find with parking. Safe neighbourhood. Shower(clean & tidy) & refreshments offered. Bedroom not huge, but clean & functional.

### The Lady:

Grace's(snow whitest) profile description is quite accurate, except she says that she's a size 12. Grace seems much slimmer; more like a 10. She has lovely natural kissable breasts, a small, cute bottom, fresh, smooth skin & a clear complexion. Very attractive, Grace stands about 5'5", is in her very early 40's, & has a lovely trim little figure; very girly. Grace has 2 small, discreet tattoos.

### The Story:

Have seen Grace before, she is warm, welcoming, honest, open & genuine. After a brief chat I enjoyed lots of kissing & cuddling, followed by sex; I won't flatter myself into thinking that Grace enjoyed the sex, but I did very much. During sex I felt Grace was very much a participant, not just a bystander like some girls. I gave Grace a massage afterwards, which I feel we both enjoyed. I didn't avail myself of all the items on Grace's likes list; but I was still very satisfied. Grace is very affectionate & provides an excellent girlfriend experience, at a pace ideal for me. I imagine that for a younger client Grace could step up a gear & be much more naughty. Grace is a very good listener, you soon feel like you've known her for ages. Conversation seems to flow easily, advice offered, never judgemental. She would probably make an excellent therapist or counsellor; I dread to think how many client's dirty secrets Grace must have been told. Sorry if I don't go into detail about the intimacy I enjoyed with Grace; but I would highly recommend her, & will certainly be asking to see her again.
