The Premises:

Apartment in city centre, plenty of parking nearby. The bedroom was clean and spacious, although the vertical blinds were missing a couple of slats which meant the window wasn't fully covered and that became a slight cause for concern as the sun set.

The Lady:

Cute petite blonde Romanian in her early twenties, reminded me of the actress Chloe Grace Moretz.

The Story:

After undressing, Amy asked me to lay on the bed and asked whether I preferred oral with or without to which I opted for the latter. So after a thorough clean with a wet wipe Amy got down to some nice OWO, giving my balls a licking too when asked. I suggested that we move to in front of the mirror for a better view which Amy agreed to but after a couple of minutes she said that her legs were going numb and I helped Amy to her feet.

She then slipped a condom on my toddler and hopped on top for cowgirl followed by doggy. The sight of her starfish winking at me prompted my inquiry about this A-level service of hers and Amy said she could do it in doggy, so she slowly guided me in but once she'd loosened up I was encouraged to pick up the pace and ended up (unusually for me) climaxing in the condom.

It was a muggy evening so I took up the invitation to use the shower to freshen up and finished off the punt with a natter and massage.

An enjoyable GFE with the bonus of an A-level service which I hope to sample again soon.
