The Lady:

Nina is quite petite and looks younger than her 61 years. Perky tits and generally pleasing appearance in keeping with her pictures.

The Story:

A bit of a mixed bag. Nina was quite shy and took me straight to the bedroom, even though I'd had a three hour journey and what I would have liked was a drink and shower given it was an hour booking. Perhaps I should have been bolder and asked but would have been nice to have been offered. Nina kisses without tongue, which we did for a few minutes before getting undressed.

I'd contacted Nina because I had a specific fantasy involving an older woman that I wanted to fulfil, which I had outlined during communication beforehand (the fantasy was face sitting followed by a levels, which are both listed as likes on Nina's aw).

However, when I mentioned this Nina had forgotten what we spoke about and described what I wanted as 'weird'.

We gave the face sitting a go, it was ok. I then had what can only be described as a mediocre blowjob before we had sex. Several times I tried to initiate anal , but it was made clear that it was a no go.

I don't know whether Nina didn't read my messages because she was keen to make a booking, but it seems strange she took a booking to do things that clearly weren't her style, and misleading that they're on her likes list.

Nice enough lady but I won't be back.
