The Premises:

Ground floor flat in a once posh part of Carlisle that is now mainly converted into flats. Clean but creaky, reasonable facilities. It is not her permanent place and I had visited another Polish escort in the same flat previously. Street parking

The Lady:

Photos on AW are accurate and she definately has a sexy goth look about her with an interesting pretty face and is petite without being waiflike, quite a tight biody.

The Story:

She was quite personable and her English is pretty good and she comes over as affectionate but I felt this was a bit learned, i.e. she didn't seem to interact naturally and I don't think she was really into it - just going through the motions, though she did this better than some I have experienced and I think wanted to do a good job. She kept her eyes shut during sex which is a real turn off for me. Maybe we just didn't click.

Nothing really memorable I am afraid
