### The Premises:

Tidy apartment. In an upscale location, very near to the tube. Used the shower on arrival. Clean. Room was well lit.

### The Lady:

Shes tall and gorgeous. Shes like her pictures on her adultwork page. Her lips are amazing. Face is really pretty too. Shes was completely ready with her hair done, totally waxed pussy and nicely done nails and toes. Shes uber feminine and proud of her femininity and youth. Her tits (enhanced) but real looking and feel. Long legs and super curvy. Total clean shaved pussy.

### The Story:

She opened the door wearing a skimpy red lingerie and greeted with a FK. She offered a shower which I took. She was totally relaxed and not a time watcher. She didnt mention the time during the whole meeting.

We kissed in FK and DFK - she kissed really nicely. She went down OWO and I went RO and hear some soft moans in her lovely voice. Then sex in multiple positions (protected of course) and ending in Missionary.

Shes a charmer and does everything to make you feel that pleasure. Shes really feminine and has a lovely voice. The main thing/ best thing about from her super hot body is her attitude. Her attitude wins it all. No rush, she really wants you to have a good time. She offers anal for an extra, but I didnt take it that day.

As I am writing this, I feel like I should go back to her today. Lovely girl.
