The Lady:

Lilly is about 5'5"-5'6" with curves in all the right places, the pictures on the website are a good likeness, she has a bubbly personality and a good sense of humour .

The Story:

What a time I have with Lilly! When she enters the room we start with long passionate kissing (including tongues) with my hands exploring all of her curves, this is usually enough to bring me to attention. Next I removed her clothing and kissed her body from top to bottom working my way from breasts down to stomach and finally saying hello to her beautiful shaved pussy . All this and we are not even on the bed yet! So onto the bed with her legs wide apart for a serious fingering whilst giving her breasts a good old sucking, this soon has the desired effect and she makes all the right noises as she cums. A quick breather and then its my turn for the oral and this is where Lilly really excels, the things this girl can do to my cock with her mouth is truly unbelievable, she gives the best blow jobs Ive ever had ! ! If Ive managed to contain myself through the B J we now come to the finale, on with the raincoat and first missionary position with her legs spread wide and ending up on my shoulders and if I can manage it, doggy position with me massaging her tits as I blow my load. LILLY I SALUTE YOU you fulfil all my desires and leave me more than satisfied. I will be returning for more. A word of warning to those out there thinking of seeing Lilly you may well become addicted to her like I am :-)
