Very cute 26 yr old, slim figure and a lovely ass.

The Story:

Jessica's English was enough go get by, she smiled and giggled a lot and was very friendly. We both stripped out of our clothes quickly and started with kissing (not on the mouth) and cuddling. She smelt lovely and her hair was very soft and felt great brushing against my skin.

I went down on Jessica for a while and she tasted lovely, she relaxed into it and purred with pleasure and writhed around, I could feel her nipples harden as I worked on her. I turned her over and buried my face in her lovely ass as I licked her clit from behind, Next we put a condom on me and after a brief bj whilst I squeezed her ass (she kept finding ways to lean over me and present her ass for me to enjoy), she climbed on top and took me inside her.

She was very tight and getting fully in wasn't easy at first, once in we had a lovely sensual fuck with her hugging me tightly at times before we moved to missionary with her legs pulled up high so I could penetrate deeper. I turned us round on sat on the edge of the bed and then stood up with her still bouncing on my dick. Jessica was so light I was able to easily support her as I stood fucking her before turning round again to gently lower her onto the bed to carry on in missionary. Next we stood up and I took her from behind as she leant on the chair with my clothes on and i watched us in the full length mirror next to it. My shirt started falling off the chair so I grabbed it and put it over her whilst still thrusting into her from the rear (girls look so sexy wearing nothing but a man's shirt). She looked over her shoulder and smiled as I sped up and eventually came hard.

After a quick clean up Jessica offered me a massage and for the next 10 mins kneaded my muscles with a surprising amount of effort and vigour. I turned over and attention went to my crotch, before long we were putting on the condom for more fucking and sucking including her sitting on my Cock in lapdance position which was great, we screwed in loads of positions for the next 25 minutes, with Jessica working really hard - we both got hot and sweaty and her ass felt great to handle in that condition. 5 minutes left so Jessica finished me off with a blowjob and very fast handjob. Cuddles

and kisses followed before we were getting dressed and off I went into the night.
