The Premises:

Original MKE venue in Fenny. Plenty of free parking nearby. Clean, comfortable property, fit for purpose and a nice ambiance due in large amounts to Coco.

The Lady:

Absolutely stunning black British lady. Looking amazing in black and red PVC, accentuating her lovely bum and firm bust. Warm, sexy smile. An exceptionally pretty lady oozing sex appeal and naughtiness. Wouldn't look out of place on the cover of my favourite album Electric Ladyland and continuing the musical theme the great man even wrote her a song to enter the room to, Foxy Lady.

Foxy, foxy

You know you're a cute little heart breaker, ha

Foxy, yeah

And you know you're a sweet little love maker, ha

The Story:

My fourth attempt at meeting Foxy and boy was I glad.

Greeted with some full on DFK, tongue right down my throat, hand inside my boxers and gyrating and grinding her arse and pussy into me.

Thought I had better hand over the accounts at this stage.

More DFK and a sexy strip while more DFK and mutual groping. Sucked on her fabulous nipples and rubbed her clit.

Asked Foxy to lie down and spread her legs and I greedily ate her pussy and rimmed her arse to appreciative noises from Foxy.

Foxy then sat between my legs and licked and sucked my cock and balls before fingering my arse and wanking me at the same time. Heaven.

Foxy turned me over and rimmed me and wanked me at the same time before wrapping those sexy lips around my cock and draining me into her mouth before sharing my cum in a snowballing session prior to her swallowing the remainder.

A truly unforgettable session with a supreme exponent of giving the max pleasure whilst being

attentive and friendly as well.
